2022 Poultry Program

Chicks are in high demand, so ordering early is very important. We only order based on orders we receive, so reserve your chicks now! Chicks are ordered as pullets, so **mistakes in sexing are beyond our control**. They must be ordered a minimum of **one week** before desired pickup date, and the minimum order is **6 chicks per pickup date**. All poultry must be paid for at time of order and picked up on the same day of arrival.

**** Due to shipping problems, chicks may arrive the day before or after expected pickup date.****
